

Laundry rooms, equipped with high-efficiency washers and dryers, are located in the lower lobbies of each building. You must use your VISA/MasterCard credit/debit card to pay for laundry or a VISA gift card. The facilities are for residents' use only and are open 24-hours a day. The cost to wash one load is \$1.25, and the cost to dry is \$1.00.

Residents may check the status of each washer/dryer by visiting www.mywavevision.com.

In order to keep the price for machine use as low as possible, a "hold" of \$6.75 will be placed on your card initially so that all of the laundry you do within the subsequent three hours can be "bundled" to minimize card fees (Granville Towers and Caldwell & Gregory are covering these fees for you). After three hours, the amount of laundry you have done is reconciled and sent to the card processor. At 2 AM each day, all of the day's transactions are forwarded to the corresponding banks. Depending upon your bank, it may take up to 48 hours for your reconciled transaction to be posted to your account and to be seen on-line. If you notice that you have an un-reconciled transaction that has taken longer than 72 hours to post, please contact Caldwell & Gregory at 1-800-927-9274, and ask to speak with Deb.

Granville Towers is not responsible for any lost or damaged items. Please report all laundry room malfunctions to the front desk immediately; be sure to make note of the machine number.

Other Services

EVLaundry

Wash/dry/fold service for Granville Towers with free pickup and drop-off.

How it works:

You fill your bag, EVLaundry picks it up, and in 48 hours they return your clothes clean, folded, and wrapped.
